## A MOUTHWATERING SEAFOOD SNACK:

### Margaritaville Calypso Coconut Shrimp

"These large, plump shrimp have a delicious coconut breading that pops with crunch and sweetness," says frozen-foods reviewer Greg Ng (FreezerBurns.com). Adds chef Lauren Braun Costello (TheCompetentCook.com), "Thanks to the mango chutney dipping sauce in the box,

these party nibbles have the perfect balance of sweet and savory."

## A SOUTH-OF-THE-BORDER TREAT:

### Trader Joe's Mini Beef Tacos

To make event planner Shawn Rabideau's (ShawnRabideau.com) A-list, an appetizer has to be as versatile as it is crowd-pleasing:

"These are one of my personal favorites—the perfect bite-size treat that can go with lots of condiments like sour cream and salsa. They're simple, fun and guests love them."

## HEALTHY CHEESY BITES:

### Amy's Spinach Pizza Snacks

"You can't argue with traditional pizza bites, but you can definitely update them," says Camilla Saulsbury, author of *750 Best Muffin Recipes*.

"These are healthier than traditional versions, but you'd never know it. When you bite into them, you're not thinking 'spinach' or 'healthy'—you're just thinking, 'Mmm . . . pizza.'"

## A CREAMY, SPICY KICK:

### Pillsbury Savorings Bread Bowl Bites Cream Cheese & Jalapeño

If she had to use just one word, how would Beth Hensperger, author of *Not Your Mother's Microwave Cookbook*, describe these bread bowls?

"Yummy," she smiles.

"The combination of cream cheese and jalapeño is remarkably good!"

## CATERER-WORTHY QUICHES:

### Nancy's Petite Quiche

Hensperger says her favorite quiches are as easy to prepare as they are delicious: "I used to make my own quiches in mini cupcake pans until I tasted these, which have the best crust in the world—one bite, and it was just like eating what I made from scratch. I really like their box of 32, which includes both Swiss cheese and bacon and Swiss cheese and spinach flavors."
